## General Membership Form

The Nechako Valley Exhibition Society was formed in 1965 and provincially incorporated as a non-profit organization in 1970. The mission of the Society is to promote the development of agricultural industry in the northern interior and to increase public awareness of the region's economic potential through the hosting of the Exhibition. The Exhibition (Fall Fair) is Vanderhoof's largest annual event, hosted over three days in August at the Society owned and operated 42-acre Exhibition Grounds.

The Society and Grounds are governed by a 15-member Board of Directors and operated by two full-time employees. We have an active membership of 125 individuals and families, 150 drop-in attendees per month, and approximately 10,000 major event attendees per year.

Year-round operations include an affordable, multi-purpose community centre for horse-back riding, horse boarding, clinics and shows, Vanderhoof and District 4-H, major sanctioned rodeo events, public camping facilities, archery tournaments, wildfire evacuation facilities, youth summer camps, public recreational vehicle storage, company picnics, family reunions, weddings, and more.

The Exhibition Society is a welcoming and inclusive organization which enhances recreation opportunities, provides safety reserves, and serves to boost the attractiveness of our community for residents and tourists alike.

Society membership is offered in three categories: General, Arena Rider, and Recreation. General Membership revenue supports our ability to deliver community programming and is available to all community members who are interested in supporting the Society.

**General Membership costs only \$10.00 per calendar year. Benefits include:**

- Eligibility to participate in meetings and vote on decisions which affect the membership and community.
- Eligibility to join Fall Fair Committee and Arena Riders Committee for the planning and production of events.
- Members are *not required* to participate in meetings or events.
- Membership helps demonstrate community support and assists us in procuring grant funding. This helps to ensure the Exhibition Grounds will continue to serve the community and region for many years to come!
